

# WICKENBURG

## UNIFIED SCHOOL DISTRICT NO. 9

### EDUCATION

- Ranked in the top 5% in academics and in the bottom 20% in spending among state-recognized peer group districts.
- Wickenburg High School (WHS) – Named by the Arizona Department of Education as one of Arizona’s “Top 50” high schools when comparing student SAT scores.
- All-day kindergarten offered at no charge.
- Visual and performing arts programs available grades 1–12.
- After school programs, sports and activities.
- Industry-level technical training provided by WestMEC.
- WHS Engineering students placed 4th in the state in the Real World Design Aviation Challenge.
- Culinary Arts (among the highest-scoring culinary arts students in the state of Arizona).
- Move On When Ready Program – community college tuition paid for “college and career ready” students.
- State- and nationally-recognized digital learning program, offering blended and on-line classes to assist with credit recovery, acceleration and individualized pacing.
